regal check™

Redefining classic plaid geometry through precision-cut natural marble, the Regal Check Pattern Mosaic brings tailored architectural symmetry to contemporary and traditional interiors alike. Generous square field tiles framed by sleek linear borders and contrasting corner accents create an effortless sense of rhythm and visual depth across floors and feature walls. Curated in rich multi-tone combinations of Verde Laguna, Aegean Red, Calacatta Amber, Iris Black, and Cappuccino, the collection transforms foyers, statement baths, and bespoke commercial spaces into refined graphic focal points
