snow white polished

The Snow White Polished Marble Collection has a certain aura that only a pure white natural stone can have. It's also incredibly versatile, sure to suit any interior design and seamlessly match any color scheme.

This collection includes a range of field tiles, mosaics, waterjet decos, and moldings. They're available in a highly polished finish for an incredibly pristine look. The designs range from traditional herringbone mosaics to funky tapered waterjet decos. Some of the mosaics include shades of grey for increased depth.

The Snow White Polished Marble Collection is suitable for vertical and horizontal applications in residential and commercial properties.
