ledger stone

With its layered pattern, the Ledger Stone Collection is a selection of marble that will add a three-dimensional look to any wall design. The finish of this collection will seamlessly blend with the natural atmosphere of your garden or patio. It resembles the earthy texture of a cliff.

This natural surface is available in three of our timeless marble shades: Diana Royal Avalon, and classic black. These three neutral shades are adaptable to any design scheme, from classic to rustic to modern.

The Ledger Stone Collection is a perfect choice for an eye-catching wall design or roaring fireplace. It is only suitable for exterior walls in both residential and commercial properties.

Usage

- Residential Interior Walls
- Commercial Interior Walls

V1 - Uniform Appearance :Differences among pieces from the same production run are minimal.
