penny round

A twist on a classic, our Penny Round Mosaic Collection is the humble mosaic made more luxurious. Instead of ceramic, these little circles have been reinterpreted in pure, natural marble.

Choose from solid colors of field mosaic or whimsical patterns including diamond, honeycomb and even plaid. These mosaics are available in white, grey, and black marble tiles. We carefully designed this mosaic to be closely-set in order to ensure the pieces won't be swarmed in a field of grout. Instead, the focal point remains on the mosaics' playful patterns and organic, neutral colors.

This collection is suitable for all interior horizontal, vertical, and wet area applications.
