TUREKS

TUREKS

COMPANY PROFILE

At Tureks Turunç Madencilik, we take pride in processing the most valuable treasure nature has to offer – natural stone and marble, with love and care, and delivering them to every corner of the world. Our exciting journey began in Afyon in 1982, and over the years, it has grown and evolved with our brand, Marble Systems, allowing us to offer custom-designed natural stone and marble products to more than 50 countries on five continents. In the United States, we have around 1,000 dealers, 7 warehouses, and 12 showrooms.
At Tureks, we are proud to be at the forefront of the natural stone industry, delivering high-impact, world-renowned projects that leave a lasting impression on global architecture and design. With decades of expertise, we transform nature's most exquisite materials into timeless surfaces that elevate both private and public spaces.

Our mission is to showcase the unique beauty of natural stone while delivering sustainable and innovative solutions for global design and construction needs. We collaborate with architects and designers to bring bold, lasting projects to life.

We have successfully completed our Initial Public Offering (IPO) and are now actively traded on Borsa Istanbul. This marks the beginning of a new chapter in our growth journey. As a publicly listed company, we continue to create value and offer a promising investment opportunity aligned with sustainable and ethical principles.

Stock Exchange Code: MARBL
Listed on: Borsa Istanbul
Compliant with: Participation Index
Join us as we move forward with confidence, innovation, and a commitment to long-term value creation.

Tureks, started with the motivation to adding value to Turkish mining and natural sources with 43 years of quarrying experience of Tureks.

Tureks exporting marble blocks to various countries as China, India, Italy, Greece, Indonesia, Romania and Egypt.

Tureks, currently running eight marble quarries in the various locations in Turkey.

Tureks provides a rich color variety from its quarries, which are located throughout Turkey. The raw material are acquired from the quarries by using the most developed technologies in the world and can transform a product range of 5,000 varieties of stone.

Non-stop production can transform up to 1,000,000 square meters of stone from quarries into finished stone products at Tureks facilities.

Tureks is the exclusive distributor of The Tureks Stone Collection, bringing with it strength in quarry and manufacturing operations and the highest levels of quality control, while ensuring quality, consistency and supply for trade professionals and dealers.

We control our stock from the quarry to the factory and from our warehouse to your door.
