MARBLE SYSTEMS

elements

There's beautiful rhythm and repetition abound in our Elements Collection. We designed twelve unique patterns in organic shapes, sizes, and color blends to harmoniously suit the most discriminating sensibilities.

These striking waterjet decos will certainly become the focal point of any room. They're available in white, blue, grey, and black patterns, these marble tiles offer their own unique glow. With twisting illusionary designs, they're a piece of art themselves.

The Elements Collection is available by template or made to measure on a special order basis. It's fully customizable from our expansive collection of stones. It's suitable for interior and residential and commercial wall and floor applications.

Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V2 - Slight Variation: Clearly distinguishable differences in texture and/or pattern within similar colors.
