fantasy white

What would life be without dreams? Our Fantasy White Marble Collection intends to spark your imagination by delivering a product that suits almost any design plan. This white luxury marble forms the perfect brilliant blank slate on which to form your wildest dreams.

You can't go wrong with white. Its pure simplicity is the definition of sophistication, elegance, and opulence. Moreover, it goes with everything. It will pacify a vibrant multi-colored interior or match the homogeneity of a minimalist design.

Available in a range of sizes and either honed or polished finishes, the Fantasy White Honed Marble Collection is a perfectly versatile collection.

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly. For example "that little bit of color" on piece of tile may be the primary color on the next piece.
