MARBLE SYSTEMS

frost white

Our Frost White Honed Marble Tile Collection offers a subtle yet alluring touch to any design project. The soft grey veining creates a versatile look that can suit any interior, from classic to modern. With its cool tones and honed finish, this marble imbues rooms with a clean, refined atmosphere.

This marble's white-grey colouring recalls some of the most striking pieces of art and architecture in the world. From the Lincoln Memorial to Renaissance sculptures, white-gray marble makes up the most iconic sights in the world.

With tiles, mosaics, waterjet decos, and moldings offered, the opportunities are endless. The moldings are available in Glacier Honed. The Frost White Honed Marble Tile Collection is applicable on walls and floors in any residential or commercial space.

Usage

- Residential Interior Walls
- Commercial Interior Walls
- Shower Walls

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles,the number of colors on each piece may vary significantly.For example "that little bit of color" on piece of tile may be the primary color on the next piece.
