ivory travertine

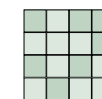

The Ivory Travertine Tile Collection offers a range of travertine tile finishes to perfectly suit your interior. Its warm ivory coloring emits a warm yet elegant aura.

This collection is extremely versatile. It comes in honed, antiqued, filled, and tumbled finishes. We carefully crafted the filled finish to create a smooth surface perfect for interior floors and walls. The rougher texture of the tumbled finish is ideal for exterior patios and preventing slipping in wet areas, like showers and poolsides.

The Ivory Travertine Tile Collection has a wide array of design options in several sizes, shapes, mosaics and decorative trim pieces. It will add a refined touch to any floor, wall, or backsplash in both residential and commercial applications.

Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
