studio mosaic

Our Studio Mosaic Tile Collection contains exquisitely designed geometric waterjet patterns. It draws from a variety of English, French Bistro, Deco, and Mid-Century Modern motifs re-designed with fresh interpretations.

This collection includes several tone-on-tone shades and textural variations to suit a multitude of individual visions. The range of unassuming gray, white, black, and beige shades perfectly balances out the complex patterns to deliver a design that is intricate yet not flashy. This selection of field stones, trims, moldings, and slabs allows for a complete, uniform look to any interior. With so many options, we've got you covered!

The Studio Mosaic Tile Collection is suitable for horizontal and vertical applications in residential and commercial properties.

Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V2 - Slight Variation: Clearly distinguishable differences in texture and/or pattern within similar colors.
